## **EQAO Assessments Reminder**

The grade 3 and 6 EQAO assessments measure how well students have met the expectations in the Ontario Curriculum. The assessments test what students know and how well they apply their knowledge and skills in reading, writing and mathematics. Students are required to read and respond to passages, to write and to solve mathematical problems. The results are reported in terms of achievement from levels 1– 4 with level 3 as the standard. The window for EQAO assessments of all grade 3 and 6 students has been established for **May 4 to June 24, 2022**. Please keep this important time frame in mind when you are planning family trips or appointments. It is important that all grade 3 and 6 students be in attendance for the assessments.
