

Free Dental Screening at School

- Peel Public Health provides dental screening as required by the Ontario Ministry of Health.
- A dental screening is a quick assessment by a registered dental hygienist who will take a look inside the child's mouth.
- A separate, sterilized mouth mirror is used for each child.
- If a child is identified with a dental condition requiring immediate dental treatment, the parent may be contacted by a dental staff member. A re-screening may be required.

Where: Father C.W. Sullivan
When: March 21, 22, 25, 2024
